JOHN CAFFERTY & THE BEAVER BROWN BAND - short bio

The legendary Rhode Island multi-platinum rock'n'roll group JOHN CAFFERTY & THE BEAVER BROWN BAND began their career in 1973 and achieved mainstream success in the 1980s with the "Eddie & The Cruisers - Motion Picture Soundtrack". The hit single “ON THE DARK SIDE" held the “#1” position on the Billboard Rock charts and the MTV video charts for five consecutive weeks. The album sold over 3 million copies and was certified triple Platinum by the RIAA.

The title track from the group's 1985 follow-up album “TOUGH ALL OVER” became their second “#1” single on the Billboard Rock charts and the song “C-I-T-Y” reached the Billboard Top 20. John Cafferty's solo track “HEARTS ON FIRE" was featured in Sylvester Stallone’s film "ROCKY IV” and he received his second double Platinum two million selling soundtrack award. Over the years John has placed 35 songs in major motion pictures.

Today John Cafferty & The Beaver Brown Band continue to tour and bring their exciting live shows to fans around the world. In 2012 they were inducted into the Rhode Island Music Hall Of Fame. 2022 marked the release of JOHN CAFFERTY & THE BEAVER BROWN BAND'S GREATEST HITS on Iconoclassic Records. A comprehensive collection of all “original recordings” from their hit albums and movie soundtracks. In the Spring of 2025 in celebration of their 50+ years together JOHN CAFFERTY & THE BEAVER BROWN BAND released "SOUND OF WAVES" a long awaited and critcally acclaimed album of brand new songs. The pre-released single “DAY IN THE SUN” has received 5 star reviews and is climbing the national classic rock radio and streaming charts. And following in the band's decades long movie soundtrack legacy it is featured in the 2024 Peter Farrelly film “Ricky Stanicky” starring Zac Efron and John Cena. In 2026 SONY MUSIC released a digital version of JCBBB's GREATEST HITS available on all major streaming platforms.
